

Sexton Dental Clinic, Inc.
Patient Appointment Checklist

****** All patients are required to bring a mask. Each patient will be screened before entering. Due to social distance our office will be limited in the number of people allowed in at one time. Because of this, only the patient will be allowed to enter the building. All others will need to wait in their car or make a return visit to pick up the patient. Absolutely, no children will be allowed. ******

*****All forms should be printed and written in black ink. Do not date forms until the day of your visit*****
